The Overview

With open enrollment around the corner and the growing Vietnamese speaking students Rocketship Education had been receiving over the past few years they wanted to make sure not only the students but the parents could have a full understanding of the operation of the child's everyday activity but also an understanding of the policies.

Client Challenge

Rocketship Education had a growing enrollment of students, and needed to make sure that each students needs were met, as well as all policies and parent handbooks were translated into the parent and guardians best understood language so they would be able to have a complete understanding of the operation and policies of the school.

Translation Cloud Solution

Translation Cloud was able to get the parent handbook translated for Rocketship Education quickly and accurately, and also got the translated documents back to them within the needed time frame to review and make additional changes before enrollment began. Translation Cloud also kept the original formatting of the document so that the needed enrollment dates that were determined after the translation was complete could simply be added in.

The Results

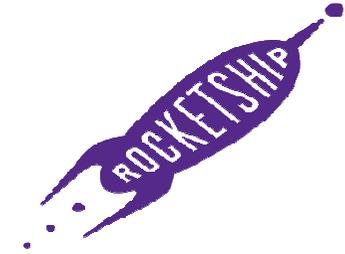

Translation Cloud assists Rocketship Education in getting the parent handbooks translated so that each student and parents needs are met and they have an equal opportunity to have a full understanding of the policies and operating system of RocketShip Education.
